Dear Neighbors and Friends:

We need your help.

On more than 650 occasions last year, our volunteers – most of whom are state-certified Emergency Medical Technicians (EMT) – responded to the community's calls for help with such emergencies as respiratory distress, choking, cardiac arrest, seizures, child delivery, car accidents, falls, bleeding, and more. We also supported the Fire Department on such calls as structure fires and carbon monoxide alarms. In all, thousands of hours were expended at no charge to the community; CPR classes were held; standby services were provided to Township events and more.

Our spirit is strong. Still, we need your help – in two ways.

- **We ask all Millstone residents to support us with a financial contribution. Donations are tax deductible, and permit us to maintain and enhance the work of our squad – in areas such as training, maintenance of our building and ambulances, purchases of new lifesaving equipment, and other important functions.**

Please note that we rely on your generosity to cover a portion of our operating expenses. We do not receive funding from any line item in your tax bill.

- **We also welcome new volunteers. Advanced training toward EMT certification is available through the squad, and participation can be adapted to your active lifestyle. For teens ages 16-18, we have a Cadet Program to support their interest. Feel free to give us a call. We would be delighted to talk to you about what's involved.**

To donate or volunteer, please use the form (below). Our contact information is at the top of this form.

Together, Millstone is *our* Township, and for more than 50 years we have been *your* Rescue Squad. It's up to all of us to make it a stronger, better community. I hope you'll choose to support us in the way that makes the most sense for you – financially, as a volunteer, or both. On behalf of our entire volunteer team, thank you for your support and generosity.
