OLD BUSINESS

- Campo Mine on Baird Road - Tara Zabrosky - Explained results of complaint to Matt Shafai and the Federal Mine Safety & Health Act of 1977

- Burnt Tavern Road - EC had new concerns regarding the construction of the wall that was recently built at the proposed office complex. Board Secretary will contact Matt Shafai to find out if the applicant applied for and received all the proper permits and have the required inspections been completed.
- Marjorie Matorella, our Alternate 1 member appointed by Mayor Grbelja at the January 2010 TC reorganization meeting, attended her first meeting with the EC. She stated the second Monday of each month would be a problem for her to attend and due to her travel schedule, perhaps she should resign and have her Alternate 1 position filled by someone that is able to fulfill the position. The EC appreciated her honesty and stated we would contact the Mayor for a possible solution. The EC does not have a candidate in mind and feel if no one is available perhaps the seat should remain unfilled for the remainder of 2010.
