Love the theatre? Want to be part of a show without being in the spotlight? Join certified instructor, artist and professional set designer Jamie Allaire once again as she leads students through this exciting hands on class. Students will learn the process of analyzing a script, collaborating design ideas, and working as a team to create a set for the upcoming spring production of *MY SON PINOCCHIO*. This class will also give students the experience of working on the stage crew for the show as they learn all about the behind the scenes magic that happens during a live performance. Participants need to be in Middle School or older to participate. If you ever wondered what it really takes to put on a production, this class is for you.
