

# RECYCLING

## Official Notice: To Residents and Businesses of Millstone Township

Recycling is mandated by the State, County and Municipal Statutes.

Millstone Township must continue to recycle to meet aggressive recycling goals set by the State and County. As the Recycling Coordinator of the Township, my responsibility is to continue to strive to meet those goals by aggressively enforcing Township ordinances. Random inspections within the Township resulted in citations being issued for lack of compliance with Chapter 19, SOLID WASTE MANAGEMENT, of the Revised General Ordinances, Township of Millstone. Some brief passages from this section follow:

It shall be mandatory for all persons, who are owners, lessees, or occupants of residential property, to separate newspapers, glass bottles and jars, tin and bi-metal cans, plastic containers, aluminum cans, corrugated cardboard and electronics as hereafter defined from all other solid waste produced by such residence for collection and ultimate recycling of materials.

I urge you to continue to do your part in keeping Millstone Township clean and to show that we are an "Environmentally Concerned Community".
