

## ARE YOU READY TO VOLUNTEER AND TRAIN TO SAVE LIVES?

[MILLSTONEFIRE.COM](http://MILLSTONEFIRE.COM)

No one is expected to know how to cut a wrecked vehicle to free someone trapped inside, operate a fire truck, or advance a hoseline to extinguish a house fire. However you will learn these and other skills that will empower YOU, as an integral part of our team, to save lives and property.

Our volunteer firefighters complete NJ Firefighter 1 Training and are certified by the State of New Jersey. Regular drills help keep our skills sharp and current. These drills frequently are simulations of emergency scenes, conducted at County Fire Academies, that create a realistic way to test and hone our skills together.

**NO EXPERIENCE REQUIRED!**

## THE MANY WAYS YOU CAN MAKE A DIFFERENCE

**THERE IS A ROLE RIGHT FOR YOU**

**FIREFIGHTING** Save lives and property during fires and other emergencies

**RESCUE OPERATIONS** Respond to motor vehicle accidents and fires. Extinguish fire and rescue occupants

**FIRE POLICE** Direct traffic around emergency scenes

**SUPPORT MEMBER** Take on non-emergency duties, such as administrative, educational, maintenance and fundraising, or otherwise use your special skills and knowledge

**JUNIOR FIREFIGHTERS** Volunteers who are 16 or 17 participate in training drills and respond in a support role at actual emergency incidents.
