Lacrosse:

C/Skowronski is very happy with the start of Lacrosse. Very good numbers for all groups except the girls grades 1 and 2. He spoke with other towns and they are having the same issue with that age group. Next year they will work a little earlier to get in the schools to give out information. Overall numbers for Lacrosse have risen.

Summer Camp:

Trips are starting to book. A few residents have inquired about registration. C/Hanson will follow up with the Board of Education regarding any concerns with camp during the application of the new roof.

Basketball:

C/Adornetti stated there are only (2) weekends left until the final playoff weekend. He also discussed an incident at the Middle School. A fire alarm was pulled during the games on Saturday afternoon. The situation was handled quickly and games resumed. A letter was sent to all participants noting the dangers of pulling a false alarm. There was also an additional incident between a coach and a referee during a game. The incident is being handled.

Soccer:

Vice-Chairman Simels is currently working with Chairman Morris and C/DeFelice on acquiring the travel soccer program. C/DeFelice noted that they have settled on a budget. There have also been discussions about the changes to the By-laws. The Commission should have all open issues resolved before the next Commission meeting on March 6th.

Master Plan:

Vice-Chairman Simels had tabled the discussion with the absence of Chairman Morris.

New Business:

C/Hanson received an email regarding the Eagle Scout project. C/Hanson asked to follow up with the Construction Department to make sure that the materials being used will hold up to weather.

Seeing no new business Vice-Chairman Simels asked for a Motion and a Second to adjourn the meeting. C/Adornetti made a Motion to Adjourn and C/Peake offered a Second and by unanimous vote, the Meeting adjourned at 8:20 p.m.

Respectfully submitted,
