**WHEREAS**, battered women have been in the forefront of efforts to bring peace and equality to the home.

**NOW THEREFORE**, I, Michael T. Kuczinski, Deputy Mayor of the Township of Millstone, in recognition of the important work done by domestic violence programs, do hereby proclaim the month of October to be Millstone Township Domestic Violence Awareness Month and urge all citizens to actively participate in the scheduled activities and programs to work toward improving victim safety and holding perpetrators of domestic abuse accountable for their actions against individual victims and our society as a whole.

**Michael T. Kuczinski, Deputy Mayor**

***National Breast Cancer Awareness Month***

**WHEREAS**, for more than 25 years, National Breast Cancer Awareness Month has been a time to reaffirm our commitment to fighting breast cancer and to remind ourselves of the importance of prevention and early detection; and

**WHEREAS**, Breast Cancer remains one of the most frequently diagnosed cancers among American women and despite remarkable advances in treatment and prevention, it remains the second leading cause of cancer death. This year alone, it is estimated that more than 295,240 U.S. women will be diagnosed with breast cancer and 40,000 will die of the disease; and

**WHEREAS**, regular mammography screening can help lower breast cancer mortality by finding breast cancer early, when the chance of successful treatment is best; and

**WHEREAS**, if 90 percent of women 40 and older received breast cancer screening, 3,700 lives would be saved each year. Costs, even moderate co-pays, deter many patients from receiving these important screenings. Under the Affordable Care Act, women's preventive health care – such as mammograms and screenings for cervical cancer – is covered with no co-pays or other out-of-pocket costs; and

**WHEREAS**, in addition to regular mammography screening, there are steps that women can take that may help reduce their risk of developing breast cancer. Women should talk with their doctor about their personal risk for breast cancer; and

**WHEREAS**, the Affordable Care Act is also helping women who are going or have gone through costly breast cancer treatment. Beginning in 2014, it will be illegal for insurance companies to discriminate against anyone with a pre-existing condition.

**WHEREAS**, these changes are making real differences in the lives of American women and families. Prevention, coupled with continued research, will help save more lives and improve the quality of life for all of us touched by breast cancer.

I, **Michael T. Kuczinski**, Deputy Mayor of the Township of Millstone, join leaders around the country in recognizing the Month of October 2014 as

**NATIONAL BREAST CANCER AWARENESS MONTH**

And declaring it to be so in Millstone Township, and urge all women and their families to get the facts about mammography and breast cancer.

## MONMOUTH COUNTY MULTI-JURISDICTIONAL HAZARD MITIGATION PLAN UPDATE

Monmouth County and its 53 municipalities have been working on the update of the Monmouth County Multi-Jurisdictional Natural Hazard Mitigation Plan since August of 2012. The first county wide plan was completed in 2009. The plan is a documented evaluation of the natural hazards to which a community is susceptible and the extent to which these events will occur. It identifies an area's vulnerability to the effects of natural hazards and the goals, objectives and actions required to minimize future loss. Mitigation is preparation and planning now to reduce loss of life and property later, by lessening the impacts of future disasters.

This plan allows the county and the participating municipalities to apply for pre and post disaster mitigation grant funding through FEMA.

The Draft Monmouth County Multi-Jurisdictional Hazard Mitigation Plan will be available for review beginning October 17, 2014. Residents can view the draft plan for the county and its 53 municipalities by visiting: [www.monmouthsheriff.org](http://www.monmouthsheriff.org), click on the OEM icon and select Hazard Mitigation Planning.
