M/Masci states that the Township Committee is committed to making sure that Millstone is as beautiful as it always is and will continue to maintain safe roads. Some projects have already been started. Our community is one of an aging community and these roads will fall in disrepair. The Township Committee is working our best to be efficient, practical and responsible in doing our job as elected official.

C/Dorfman states that this is an increase from prior years in our road program. As the opportunity to increase our spending on aging roads is favorable with materials, asphalt and oil is way down along with low interest rates, financing is in our favor.

COMMENTS FROM THE DAIS:

M/Masci states that due to COVID-19 there is no Memorial Day Parade this year. The Township Committee would like to thank the veterans for their dedicated services. Some members of the Veterans Council will hold a small ceremony to honor our veterans. We have two residents in town, Jerry and Estelle Gottlieb. Mr. Gottlieb is 93 years old. He is a WWII and Korean War veteran and is an active member of the Veterans Council. They have lived in Millstone Township for over 70 years. Louise San Nicola recognized the need to repair the Gottlieb's home while they were away. With the help of Toni Arpaia, they teamed up with many township residents who donated their time and materials to repair the Gottlieb's home. They received new heater, air condition, well softener, septic system, garage door opener, updated kitchen, handicapped bathroom, new roof, landscaping and many more items. DM/Grbelja was in attendance when the Gottlieb's returned home. They were very pleasantly surprised and extremely touched. DM/Grbelja states she is so proud of Millstone, Louise San Nicola, Tony Arpaia and all who helped. Especially thanked Jerry and Estelle Gottlieb for their service and is so happy they are members of the community.

G/Dorfman states that the Recreation Department has been getting many inquire about the Summer Recreation program. Unfortunately, we are still waiting to get guidance from the State which is expected to come out next week. Andrew DeFelice, Recreation Coordinator has been doing a tremendous job working on this. Frog Bridge and Black Bear camps are closed for the season. We are trying to do something, maybe mini programs which would have limited number of participants and hours.

G/Dorfman also states that he will be reaching out to the Township Committee get their thoughts and guidance on Millstone Day.

M/Masci states the Governor Murphy is looking out for the safety and well being for the residents. However, he has lost credibility to fairness. How can some businesses be able to do social distancing and how others businesses can't. This is not fair. He asks the Governor to change his executive orders and be fair to all businesses. This is killing people's livelihood and this must change.

C/Kuczinski agrees it is unfair and lopsided. Businesses can't make it. The Governor should put a program in place to help these businesses salvage what they have and to be able to slowly come back.

C/Dorfman states that our country has the Constitution and Bill of Rights. Each and every one of us has a choice to go where we want to go or not and it is not the Governor telling us.

Business Administrator states that Millstone has joined with the Affordable Housing Alliance a Housing Rehabilitation program that will give up to \$15,000 for rehabilitation/repairs to your home. This program is based on income and an application (coupon) needs to be completed and mailed to Affordable Housing Alliance. The coupon is on the Township website and also placed around the Township.

PRIVILEGE OF THE FLOOR:

M/Masci opens the meeting to the public at 9:31 p.m.

The Business Administrator states that the phone number to call is 908-415-1746.

Toni Arpaia thanks the Township Committee for their kind words and extends his gratitude to all the veterans for allowing him to live a free and proud life.

No public in attendance and no further calls or emails received.

M/Masci closes the meeting to the public at 9:33 p.m.
