CERTIFICATION OF CARBON MONOXIDE ALARMS

On April 7, 2003 the New Jersey Department of Community Affairs adopted regulations that provide for the installation of CO Alarms in one & two family homes. As per the regulations, CO alarms are required to be provided in the immediate vicinity of **all** sleeping rooms in all residential buildings that contain fuel-burning appliances or have attached garages. The device is permitted to be a battery powered, hard-wired or plug-in type.

Dwelling Location: Block _____ Lot _____

Street Address _____

Municipality _____ County _____

_____, certify that I am the owner or an authorized representative of the owner of the dwelling at the above referenced location. I further certify that this dwelling has carbon monoxide alarm(s) installed and in working, order as stated below:
