

Free Vaccines and Screenings

The Millstone Township Community Center will be hosting a mobile health clinic offering vaccines and screenings.

We will be offering the new Pfizer bivalent booster, which offers protection against the omicron variant. You can receive the updated booster at least 2 months after your 2nd Dose or last booster.

Services being offered:

- COVID-19 vaccines (Pfizer bivalent/updated booster shots)
- Flu vaccines
- Diabetes (A1c) screenings
- Hypertension (Blood Pressure) Screenings

You do not need to show ID, documentation or proof of insurance to receive a vaccine.

INFORMATION:

-Date: October 11th, 2022

-Time: 1:00pm – 3:00pm

-Location: 463 Stagecoach Road Millstone Township, NJ 08510

*No pre-registration needed, Walk-ins welcome.
