

DEA National Take Back Day

Saturday, April 26th. 10 AM - 2 PM

Let's not forget that both legal and fake prescription overdoses are still a clear and present public health and public security threat. National Take Back Day reflects the DEA's commitment to our health and safety. By encouraging removal of unnecessary medications from homes and senior living facilities, they are helping to prevent medication misuse and opioid addiction from ever starting.

Millstone Township, along with communities across the country, is encouraged to anonymously turn in unneeded and outdated medications to prevent them from causing potential harm.

Visit **DEATakeBack.com** for your nearest collection site, as well as information on Naloxone and Medication Assisted Treatment Resources. Or reach out to the Millstone Alliance to Prevent Substance Use Disorders at millstonealliance@gmail.com.

KEEP THEM SAFE-CLEAN THEM OUT-TAKE THEM BACK
